CARE ENGLAND

Representing independent care providers

Care England is the leading representative body for Care providers in England. We strive to work collaboratively with the Care Sector and Government to implement the foundations of a sustainable future for adult social care that will be for the benefit of all citizens and the economy.

It is **Care England's** vision and aim to unite the Care Sector so we can work together for the benefit of all.

We want to offer the Care Sector as many opportunities as possible to get together, both on a professional & social level, to network, meet, communicate and share ideas. Care England is very excited about 2026!

BUYER DELEGATES

Introduction

The Care England Forum will bring senior decision makers from the UK's leading care homes and healthcare providers directly to leading dynamic suppliers from all areas of the supply chain.

Why ATTEND?

The whole spectrum of the care sector supply chain will be covered including: mobility aids, medical equipment, IT & software, staffing, facilities management, food & beverages, furnishings, waste management, utilities/energy suppliers and cleaning & hygiene to name a few.

Buyer Delegates can spend quality time meeting with suppliers and discussing supply solutions and opportunities.

Meetings are set up on a 1-2-1 basis held at your own meeting desk in the main forum area.

Planned networking and social sessions provide additional time for delegates to meet and to develop business contacts and relationships.

Buyer delegates will save huge amounts of time at the Care England Forum by being able to focus fully on meetings with suppliers in a professional environment conducive to doing business.

Maximise time and purchasing effectiveness by meeting with relevant suppliers all based at one forum.
